COMMENT

Meeting Attended:

I was not able to attend a meeting

Important Issues:

Land Use (Agriculture, Residential, Recreation), Water Resources (Floodplains, River Crossings),
Historic and Cultural Sites, Radio or Television Interference, Noise, Health and Safety, Project
Purpose and Need, Biological Resources, Visual / Aesthetic Resources, Other, Proximity to
Residences
OTHER: full time resident

Property Uses:

Residential

Comment:

I am a FULL TIME RESIDENT and my home is in the proposed area. The devastation, distruction, health issues, land value decrease/loss, visual ugliness, unjustified selection of area, total indifference to homeowners just makes me disgusted and I cringe at the disrespect for this God-made beautiful area to be raped when there are undeveloped areas that could be utilized. 5372 CR 442 (Middle Creek)

I-224-001: Environmental Consequences (In Review)

Your email/letter/comment form has been received and your comment noted. Potential environmental consequences and mitigation measures from the proposed project will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at

<http://www.usda.gov/rus/water/ees/ea.htm>.
